## #1 Medical Newspaper in Readers and Exposures to the Cardiologist

Over 25,700 cardiologists rely on Cardiology News monthly to cover the world of medicine with breaking news, on-site medical meeting coverage, and expert perspectives in print and online. Since 2003, our independent reporting has focused on impacting the way cardiologists practice medicine. New multi-format programs with the quality and reputation of Cardiology News offer sponsors opportunities to reach physicians with podcasts, newswires, e-newsletters, and custom programs.
